OVERALL RATING

PERFORMANCE BREAKDOWN

Technical Clean on the ball in space, distribution needs work under pressure	7/10
Tactical Defensive positioning excellent, slow decision-making in transition	6/10
Physical Strong output, high-speed running well above squad average	8/10
Mindset Composed defending the circle, frustrated after turnovers — reset was slow	7/10

GOING WELL

- Strong 1v1 defending in the circle — won 4/5 contests
- Communication with midfield line improved significantly in the second half
- Set piece delivery was accurate — created 2 clear chances from corners

NEEDS WORK

- 01 Distribution under press — turning over possession in own 25 twice in first quarter
- 02 Recovery runs from attacking set pieces — caught high twice on counter

NEXT GAME FOCUS

When you receive under press in the back line, take one touch forward before distributing. Back yourself to carry past the first line of the press before releasing.
